# Launch of FGBMFI Malaysia's new website

In 2021, FGBMFI Malaysia launched the Digital Transformation Initiative: FGB Enrichment 1.0 where we planned to consolidate and integrate our digital assets and digital footprints onto a common platform. Our goal is to enhance, enrich and empower members to fulfil their core mission of evangelism in reaching out to a borderless world through Facebook, Instagram and Whatsapp.

FGBMFI Malaysia recognises that in this digital age, our presence and reach needs to be relevant not just to the established marketplace people but also to the younger and vibrant generation who are attracted to multimedia forms of communication.

As such, FGBMFI Malaysia is happy to announce that our FGBMFI Malaysia website is now revamped and transformed to take on a new and vibrant look as part of our Digital Transformation Initiative 1.0. Click on the link ([fgb.com.my](http://fgb.com.my)) to visit our new website.
