# Declaring His goodness in the 9-5 window

There's the 10/40 window. And then there's the 9-5 window, where marketplace believers live out, share and teach kingdom values.

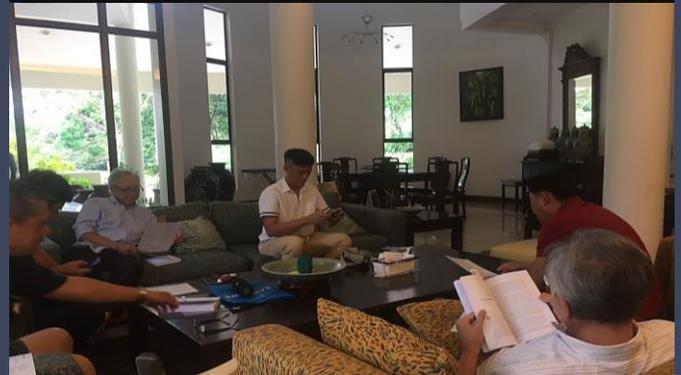

Meet FGB Kuching, a marketplace ministry that gathers every Thursday from 1pm to 3pm, either online or in person. Average attendance 7 people, peak attendance 14.

20 minutes of praise and prayer is followed by an hour of devotion and discussion. Members are currently reading 'Equip' by Peter Tsukahira, a series of 52 short teachings for believers in the marketplace.

FGB Kuching helped organize and run the Annual Members Conference 2021. Members have also participated in the Elijah Challenge and the First Principles Discipleship Training events.

After Covid 19 restrictions were lifted, a combined gathering was held together with FGB Kuching Breakthrough Chapter to minister to the Lord and to each other.

Despite our challenges, we persevered and worshipped wholeheartedly. God has been faithful and good to his servants in FGB Kuching. We give thanks for His enduring grace and work in the lives of our brothers in East Malaysia.

The story of the Malaysian 'FGB Men' song

# Here we are, FGB Men

In 2017, FGBMFI National President Bro Fong Hoong Heng and Central Regional Director Bro Peter Desmond Wee mooted the idea of a Malaysian 'FGB Men' song.

Bro Peter Desmond Wee wrote the lyrics with minor revisions from Ps Jason Josob, Kingdom City Church. With no knowledge nor experience in song writing, Bro Peter came up with the lyrics one Sunday morning after being inspired by the Holy Spirit.

Bro Steve Winarto and Sis Daphne Wee composed the music score. Both musicians are Summa Cum Laude graduates of Berklee College of Music, Boston, USA.

The song reflects who we are and what we do. We are His servants, called to display His glory and goodness in the marketplace. Members are encouraged to sing this song during all events and gatherings. Lyrics can also be found in our 2022 Members Handbook.
