The Blessings From Above

with Rev Hwa Jen

We worship a God full of grace, mercy, peace and love. A God who delivered us from death and fills us with His peace.

Read the Word

As leaders, it is important to hear the Lord's leading. Faith comes by hearing, and hearing by the Word of God. With that, we'd like to encourage all members to start or join a bible reading club, and chronologically go through the Word within a year.

How To Adapt & Win

Revisions to the Member's Handbook 2022

By now, all FGBMFI members would have received a copy of the Member's Handbook by post. Here's what's new in the last edition.

Dear Happy Men,

The Member's Handbook incorporating the rules, regulations and governance processes of the Fellowship has been revised. Please read it so that you can understand how our Fellowship operates.

Besides the simplification and clarification deemed appropriate, please take note of the significant changes below:

1. Item 8 in our Statement of Faith is simplified to: "We believe in the baptism in the Holy Spirit and in the nine gifts of the Spirit, listed in 1 Corinthians 12, as always available to believers."

This change is in line with our sixth mission statement which is to bring a greater unity among all people in the Body of Christ. It is still required that all leaders starting from Chapter Presidents be baptized in the Holy Spirit with the evidence of speaking in tongues.

2. The relationships between the Board of Directors of FGBMF Berhad, the Governing Council and the National Board are explained in greater detail in the new revision.

3. Term limits have been introduced. The term of office for the National President is limited to a total of nine years which is equal to three consecutive terms of three years each. However, in the exceptional circumstance where there is no suitable and qualified person to take on the position, the Governing Council may extend his appointment for another three years only.

National Board members and deputies may hold the same positions or functions for a maximum of eight years. Under exceptional circumstances, the Governing Council has the power to extend their term for a further 2 years only.

4. The appointment and reappointment of the National President is through a consultation and consensus building process. The checks and balances involved are explained in greater detail.

5. The section on politicians as leaders in the Fellowship has been simplified to only exclude members of state assemblies (Dewan Undangan Negeri) and members of Parliament both in the Dewan Rakyat and Dewan Negara. However, they may be members of the Fellowship.

6. A new section has been included to describe FGB Ladies who are not members of the Fellowship but members of a committee formed for a specific project.

7. Some sections have been removed for easier comprehension.

As Happy Men of FGBMFI Malaysia, the Member's Handbook equips you with a full and proper understanding of how we operate as a fellowship. Thank you for your service and partnership in the work of the Lord. God bless you and your family!

National Secretary

Course objectives

1. To disciple FGB men to be a good husband and father.
2. To develop FGB men to be authentic in the marketplace.
3. To equip FGB men to be soul winners in the marketplace.
4. To enable FGB men to embrace/ fulfil the mission of FGB.
