WELCOME NEW MEMBERS 21

Can We Please Link Up As One Body Of Christ?

We can all agree that Christ is the head of FGBMFI ministry, but often we can't agree with one another to work as one Body of Christ. Why? We may all lack the link needed to unite and serve together in His Body. Everyone may think it is right to serve selfishly in that body without aligning to Christ. Hence, we could lose that foundational vision and mission of FGBMFI, Malaysia.

**Though
we are
many,
we are
one body**

Bro. Peter Desmond Wee

The recent National Board goal of doubling up members and chapters is for all chapter presidents and members to link up together to do it responsibly. Pastor Chuck Swindoll echoed this in his devotional "Let's link up" as such:

None can claim to be a whole chain!
Each one is a link. If we take away one link, then the chain is broken.

Nobody is a whole team. Each one is a player. And if we take away one player, the game is forfeited.

Nobody is a whole orchestra. Each one is a musician. And if we take away one musician, the symphony is incomplete.

Nobody is a whole play. Each one is an actor. And when we take away one actor, the performance suffers.

Nobody is a whole hospital. Each one is a part of the staff. And when we take away one staff, it isn't long before the patient is impacted.

So, nobody had it all. We need one another. You need someone and someone needs you. Isolated islands, we're not. To make this thing called life work, we need to lean and support. And relate and respond. And give and take. And confess and forgive. And reach out and embrace. And release and rely. That's what being in FGBMFI is all about. Each chapter and member is critical to the whole. We serve and support each other. Why? Because we are one Body of Christ.

In God's family, working together is Plan A for survival. And since we're so different (thanks to the way God built us), love and acceptance are not optional luxuries. Neither is tolerance. Or understanding. Or patience. You know, all those things you need from others when your humanity crowds out your divinity.

In other words:
Don't just pretend to love others. Really love them. . . . Love each other with

Let's all actively run our physical chapters again to link up as one healthy body of Christ.

genuine affection, and take delight in honouring each other. . . . When God's people are in need, be ready to help them. Always be eager to practice hospitality. (Romans 12:9–10, 13)

Why? Because each one of us is worth it. Even when we don't act like it or feel like it or deserve it.

Finding authenticity, the real thing is more and more of a challenge these days. Many are generic or imitation. Outright fraud or deception has become more often the rule rather than the exception. Easy to be cynical or skeptical.

For Paul, real love is a matter of the heart not the face. No charade can be sustained. God chose us to love and so we too must choose to love others.

And since none of us is a whole, independent, self-sufficient, super-capable, all-powerful “superman”, let's quit acting like we are. Life's lonely enough without our playing that silly role. The game's over.

Let's all actively run our physical chapters again to link up as one healthy body of Christ. God will bless and add more members and chapters to our ministry by end of 2025 if we serve actively as one body—His Body.

Peter Desmond Wee

FGBMFI WORLD CONVENTION SAN PEDRO SULA, HONDURAS

J U L Y 1 8 - 2 0 2 0 2 4

International President,
Bro. Francis Owusu

International Secretary,
Bro. Doug Woolley

International Treasurer,
Bro. Paul Lai

Director for Training,
Bro. John Carrette

National President, Bro. Peter Desmond Wee and Bro. Ng Soon Hock travelled almost 40 hours to San Pedro Sula in Honduras to attend the FGBMFI International World Convention from 18th to 20th July 2024. It was attended by over 3,500 participants from various regions, including America, Latin America, Europe, Africa and Asia Pacific. The sessions for different continents were vibrant, joyous, and united.

International President, Bro. Francis Owusu, emphasized the importance of protecting the Vision of FGBMFI highlighting that the vision is the people and chapter organised by Bro. Demos. We must have unity at all levels of the ministry, hunger for the Word of the Lord and be ready to share our testimony to anyone around us – making God the focal point of our meetings. Let us also make prayer our lifestyle, keeping close to God in daily communication.

We also saw their culture of service and hospitality where families attended the convention and served together. We experienced this firsthand through the daily transportation provided by Bro. Alex and his son Gino – a family-oriented culture of active participation in the organisation.

There were also many miracles, including 2 salvations and the removal of obstacles at the immigration. We also heard the amazing testimony from Paraguay where 203 chapters out of 204 left the organisation (FGBMFI Paraguay), leaving only 1 chapter which was aligned to FGBMFI International. Today, they have grown back to 141 chapters. Praise the Lord for the reconciliation and unity!
