DIRECTORS' REPORT

The directors hereby submit their report and the audited financial statements of the Company for the financial year ended 31 December 2024.

PRINCIPAL ACTIVITY

The Company is established as a religious organisation for the advancement of Christianity. There has been no significant change in the nature of this activity during the financial year.

RESULTS

RM

Deficit of expenditure over income

(49,215)

RESERVES AND PROVISIONS

There were no material transfers to or from reserves or provisions during the financial year.

BAD AND DOUBTFUL DEBTS

Before the financial statements of the Company were made out, the directors took reasonable steps to ascertain that action had been taken in relation to the writing off of bad debts and the making of allowance for impairment losses on receivables and satisfied themselves that there are no known bad debts and that no allowance for impairment losses on receivables is required.

At the date of this report, the directors are not aware of any circumstances that would require the writing off of bad debts, or the allowance for impairment losses on receivables in the financial statements of the Company.

CURRENT ASSETS

Before the financial statements of the Company were made out, the directors took reasonable steps to ensure that any current assets, which were unlikely to be realised in the ordinary course of business, including their value as shown in the accounting records of the Company, have been written down to an amount which they might be expected so to realise.

At the date of this report, the directors are not aware of any circumstances which would render the values attributed to the current assets in the financial statements misleading.

DIRECTORS' REPORT

VALUATION METHODS

At the date of this report, the directors are not aware of any circumstances which have arisen which render adherence to the existing methods of valuation of assets or liabilities of the Company misleading or inappropriate.

CONTINGENT AND OTHER LIABILITIES

At the date of this report, there does not exist:-

- (a) any charge on the assets of the Company that has arisen since the end of the financial year which secures the liabilities of any other person; or
- (b) any contingent liability of the Company which has arisen since the end of the financial year.

No contingent or other liability of the Company has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the directors, will or may substantially affect the ability of the Company to meet its obligations when they fall due.

CHANGE OF CIRCUMSTANCES

At the date of this report, the directors are not aware of any circumstances not otherwise dealt with in this report or the financial statements of the Company which would render any amount stated in the financial statements misleading.

ITEMS OF AN UNUSUAL NATURE

The results of the operations of the Company during the financial year were not, in the opinion of the directors, substantially affected by any item, transaction or event of a material and unusual nature.

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors, to affect substantially the results of the operations of the Company for the financial year in which this report is made.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FULL GOSPEL BUSINESS MEN'S FELLOWSHIP BERHAD

(Incorporated in Malaysia)
Registration No: 198601001661 (150803 - A)

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Full Gospel Business Men's Fellowship Berhad, which comprise the statement of financial position as at 31 December 2024, and the statement of income and expenditure and statement of cash flows for the financial year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 10 to 27.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2024, and of its financial performance and its cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information Other than the Financial Statements and Auditors' Report Thereon

The directors of the Company are responsible for the other information. The other information comprises the Directors' Report, but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The directors of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:-

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements of the Company represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

3. BASIS OF PREPARATION (CONT'D)

- 3.1 During the current financial year, the Company has adopted the following new accounting standards and/or interpretations (including the consequential amendments, if any):-

MFRSs and/or IC Interpretations (Including The Consequential Amendments)

Amendments to MFRS 16: Lease Liability in a Sale and Leaseback

Amendments to MFRS 101: Classification of Liabilities as Current or Non-current

Amendments to MFRS 101: Non-current Liabilities with Covenants

Amendments to MFRS 107 and MFRS 7: Supplier Finance Arrangements

The adoption of the above accounting standards and/or interpretations (including the consequential amendments, if any) did not have any material impact on the financial statements of the Company.

- 3.2 The Company has not applied in advance the following accounting standards and/or interpretations (including the consequential amendments, if any) that have been issued by the Malaysian Accounting Standards Board (MASB) but are not yet effective for the current financial year:-

MFRSs and/or IC Interpretations (Including The Consequential Amendments)

Effective Date

Amendments to MFRS 121: Lack of Exchangeability

1 January 2025

Annual Improvements to MFRS Accounting Standards - Volume 11

1 January 2026

Amendments to MFRS 9 and MFRS 7: Amendments to the Classification and Measurement of Financial Instruments

1 January 2026

Amendments to MFRS 9 and MFRS 7: Contracts Referencing Nature-dependent Electricity

4. MATERIAL ACCOUNTING POLICY INFORMATION

4.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Key Sources of Estimation Uncertainty

Management believes that there are no key assumptions made concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year other than as disclosed below:-

(a) Depreciation of Equipment

The estimates for the residual values, useful lives and related depreciation charges for the equipment is based on commercial factors which could change significantly as a result of technical innovations and competitors' actions in response to the market conditions. The Company anticipates that the residual values of its equipment and will be insignificant. As a result, residual values are not being taken into consideration for the computation of the depreciable amount. Changes in the expected level of usage and technological development could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised. The carrying amount of equipment as at the reporting date is disclosed in Note 5 to the financial statements.

(b) Impairment of Equipment and Right-of-use Asset

The Company determines whether its equipment and right-of-use asset are impaired by evaluating the extent to which the recoverable amount of the asset is less than its carrying amount. This evaluation is subject to changes such as market performance, economic and political situation of the country. A variety of methods is used to determine the recoverable amount, such as valuation reports and discounted cash flows. For discounted cash flows, significant judgement is required in the estimation of the present value of future cash flows generated by the assets, which involve uncertainties and are significantly affected by assumptions used and judgements made regarding estimates of future cash flows and discount rates. The carrying amounts of equipment and right-of-use asset as at the reporting date are disclosed in Notes 5 and 6 to the financial statements respectively.

(c) Income Taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Company recognise tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were initially recognised, such difference will impact the income tax expense and deferred tax balances in the period in which such determination is made. The carrying amounts of current tax assets of the Company as at the reporting date are RM9,192 (2023: current tax liabilities - RM14,288).

4. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

4.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (CONT'D)

Critical Judgements Made in Applying Accounting Policies

Management believes that there are no instances of application of critical judgement in applying the Company's accounting policies which will have a significant effect on the amounts recognised in the financial statements.

4.2 FINANCIAL INSTRUMENTS

(a) Financial Assets

Financial Assets Through Profit or Loss

The financial assets are initially measured at fair value. Subsequent to the initial recognition, the financial assets are remeasured to their fair values at the reporting date with fair value changes recognised in profit or loss. The fair value changes do not include interest income.

Financial Assets at Amortised Cost

The financial assets are initially measured at fair value plus transaction costs except for trade receivables without significant financing component which are measured at transaction price only. Subsequent to the initial recognition, all financial assets are measured at amortised cost less any impairment losses.

Financial Assets Through Other Comprehensive Income

The Company has elected to designate the equity instruments as financial assets through other comprehensive income at initial recognition.

The financial assets are initially measured at fair value plus transaction costs. Subsequent to the initial recognition, the financial assets are remeasured to their fair values at the reporting date with fair value changes taken up in other comprehensive income and accumulated in the fair value reserve, except for the recognition of impairment, interest income and foreign exchange difference of a debt instrument which are recognised directly in profit or loss. The fair value changes do not include interest and dividend income.

4. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

4.2 FINANCIAL INSTRUMENTS (CONT'D)

(b) Financial Liabilities

Financial Liabilities Through Profit or Loss

The financial liabilities are initially measured at fair value. Subsequent to the initial recognition, the financial liabilities are remeasured to their fair values at the reporting date with fair value changes recognised in profit or loss. The fair value changes do not include interest expense.

Financial Liabilities at Amortised Cost

The financial liabilities are initially measured at fair value less transaction costs. Subsequent to the initial recognition, the financial liabilities are measured at amortised cost.

4.3 EQUIPMENT

All items of equipment are initially measured at cost.

Subsequent to the initial recognition, all equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation on equipment is calculated using the straight-line method to allocate their depreciable amount over their estimated useful lives. The principal annual depreciation rates are:-

Office equipment	50%
Computer and software	50%
Renovation	50%
Furniture and fittings	50%

4.4 RIGHT-OF-USE ASSET

Right-of-use assets are initially measured at cost. Subsequent to the initial recognition, the right-of-use assets are stated at cost less accumulated depreciation and any accumulated impairment losses, and adjusted for any remeasurement of lease liabilities.

The right-of-use assets are depreciated using the straight-line method from the commencement date to the earlier of the end of the estimated useful lives of the right-of-use assets or the end of the lease term.

4. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

4.5 REVENUE FROM CONTRACT WITH CUSTOMERS

Revenue from contracts with customers is measured based on consideration specified in a contract with a customer in exchange for transferring goods or services to a customer net of sales and service tax, returns, rebates and discounts. The Company recognises revenue when (or as) it transfers control over a product or service to customer. An asset is transferred when (or as) the customer obtains control of the asset. Depending on the substance of the contract, revenue is recognised when the performance obligation is satisfied, which may be at a point in time or over time.

(a) Donations

Revenue from donations are accounted for on a receipt basis.

(b) Membership fees

Revenue from membership fee is recognised over the membership period on receipt basis.

(c) Sale of Goods

Revenue from sale of goods is recognised when the Company has transferred control of the goods to the customer, being when the goods have been delivered to the customer and upon its acceptance. Following delivery, the customer has full discretion over the manner of distribution and price to sell the goods, and bears the risks of obsolescence and loss in relation to the goods.

(d) Chapter dues

Revenue from chapter dues are accounted for on a receipt basis.

(e) Registration fees

Revenue from registration fees are accounted for on a receipt basis.

(f) Banquet

Revenue from banquet dinner is accounted for on a receipt basis.

4.6 REVENUE FROM OTHER SOURCES AND OTHER OPERATING INCOME

(a) Interest Income

Interest income is recognised on an accrual basis using the effective interest method.

17. FINANCIAL INSTRUMENTS

The Company's activities are exposed to a variety of market risk (including foreign currency risk, interest rate risk and equity price risk), credit risk and liquidity risk. The Company's overall financial risk management policy focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

17.1 FINANCIAL RISK MANAGEMENT POLICIES

The Company's policies in respect of the major areas of treasury activity are as follows:-

(a) Market Risk

(i) Foreign Currency Risk

The Company does not have any transactions or balances denominated in foreign currencies and hence, is not exposed to foreign currency risk.

(ii) Interest Rate Risk

The Company does not have any interest-bearing borrowings and hence, is not exposed to interest rate risk.

(iii) Equity Price Risk

The Company does not have any quoted investments and hence, is not exposed to equity price risk.

17. FINANCIAL INSTRUMENTS (CONT'D)

17.1 FINANCIAL RISK MANAGEMENT POLICIES (CONT'D)

(b) Credit Risk

The Company does not have any significant exposure to credit risk or the risk of counterparties defaulting at the end of reporting period. For financial assets (including cash and bank balances), the Company minimises credit risk by dealing exclusively with high credit rating counterparties.

(i) Credit Risk Concentration Profile

The Company does not have any major concentration of credit risk related to any individual customer or counterparty.

(ii) Maximum Exposure to Credit Risk

At the end of the reporting period, the maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position of the Company after deducting any allowance for impairment losses (where applicable).

(iii) Assessment of Impairment Losses

At each reporting date, the Company assesses whether any of the financial assets at amortised cost are credit impaired.

The gross carrying amounts of financial assets are written off against the associated impairment, if any, when there is no reasonable expectation of recovery despite the fact that they are still subject to enforcement activities.

Fixed Deposits with a Licensed Bank, Cash and Bank Balances

The Company considers the licensed banks have low credit risk. In addition, some of the bank balances are insured by Government agencies. Therefore, the Company is of the view that the loss allowance is immaterial and hence, it is not provided for.

17. FINANCIAL INSTRUMENTS (CONT'D)

17.1 FINANCIAL RISK MANAGEMENT POLICIES (CONT'D)

(c) Liquidity Risk

Liquidity risk arises mainly from general funding and business activities. The Company practises prudent risk management by maintaining sufficient cash balances to meet its working capital requirements.

Maturity Analysis

The following table sets out the maturity profile of the financial liabilities as at the end of the reporting period based on contractual undiscounted cash flows (including interest payment computed based on the rate at the end of the reporting period):-

	Contractual Interest Rate %	Carrying Amount RM	Contractual Undiscounted Cash Flows RM	Within 1 Year RM
2024				
Other payables and accruals	-	127,234	127,234	127,234
2023				
Other payables and accruals	-	139,172	139,172	139,172

17.2 CAPITAL RISK MANAGEMENT

The Company manages its capital to ensure the Company will be able to maintain an optimal capital structure so as to support its businesses. To achieve this objective, the Company may make adjustments to the capital structure in view of changes in economic conditions, such as adjusting returning of capital to members.

The Company manages its capital based on debt-to-equity ratio. As the Company has no borrowings, the debt-to-equity ratio may not provide a meaningful indicator of the risk of borrowings.

17.5 FAIR VALUE INFORMATION

At the end of the reporting period, there were no financial instruments carried at fair values in the statement of financial position.

The fair values of the financial assets and financial liabilities of the Company that are maturing within the next 12 months approximated their carrying amounts due to the relatively short-term maturity of the financial instruments or repayable on demand terms.
